Admin: View Lesson Plans

1. In a web browser, go to https://lamar.schoolobjects.com/ and log into your Eduphoria account. Click on Forethought.

2. Click on the Lesson Plans tab on the left.

3. The list of teachers at your campus will populate below the calendar.

4. To see a list of team planners being used on your campus, click on the View Teams icon below your list of teachers.

*The View Teams/Teachers button toggles between the teacher planner list and the team planner list.*
5. Lesson plans can be viewed by day or week for a teacher or team. Select a teacher and the lesson plans will populate in the Lesson Plan Content Area in the center of your screen. The view defaults to Plans by Day layout.

6. To change the view and see a teacher’s plans for the week, click on the calendar icon and select View Week’s Plans.

7. Double-clicking on a day of the week in the View Week’s Plans view will take you back to the Plans by Day view to that specific day.

8. You can access the LCISD curriculum by clicking on the subject area to select it, then click the Show button in the upper right corner.

9. The Curriculum Pane will populate with the LCISD curriculum for the subject area you selected.
