**District Scope and Sequence**

1. Log in to Eduphoria in a web browser: [https://lamar.schoolobjects.com/](https://lamar.schoolobjects.com/)

2. Click Forethought.

3. Click on the Scope and Sequence tab on the left side of the screen.

4. Click on a folder in the list to expand and find grade levels and/or subject areas. Next click on a book and the curriculum will populate to the right.
5. Click on the plus sign next to a unit to expand and see what is included in the lesson plan.

6. Click on “Teacher to Teacher Notes” or “Instructional Resources” to see what is included in that specific unit on the right.
