MP3 2:12 :60 :30 :20 :15 :10 | Preview 2:12 :60 :30 :20 :15 :10

Click to download selection **Click to preview selection**

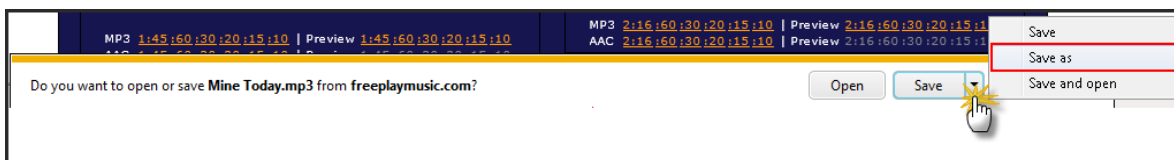

Your search results will supply you with a bunch of information. The main two options you are concerned with are:

- **Preview**- Listen to the song on the site without downloading.
- **MP3**- Download the song to your computer as an mp3 audio file.

When you find a song you like, download it to your computer.

Note: many songs have options as to the length of the song. You can download the full song or just a percentage of it depending on your need.

Save Options

Once you click on a selection to download you will be prompted to either open or save the file. **Click the drop down button next to Save and select Save as.** Determine where you want to save the file, name it, and then click save.
