Skyward EA+ Student UN/PW Roster

To print a student username and password report from your gradebook, follow the steps below.

1. Click on the Teacher Access Tab.

![Teacher Access Tab](image1)

2. Click on My Gradebook.

![My Gradebook](image2)

3. Click on Reports for All Classes.

![Reports for All Classes](image3)

4. Under Class Information, select Class Roster.

![Class Information](image4)

5. Highlight Student Usernames/Passwords report.

![Highlighted Report](image5)

6. Click the Print button.

![Print Button](image6)
7. When you report is finished processing, click Display Report.

8. This report will display all of the classes that you teach on a different page. If you just need to print one class or period, use the printer settings to select the specific page.
