1. **Zoom:** Use browser zoom (CTRL + or -) to make the activity fill the screen.
2. **Full Screen:** Remove the browser address bar and toolbar by making Google Chrome® full screen. (On a PC, press F11. On a mac, press shift + command + f.)
3. **Repeat:** Repeat the last instructions by clicking the Repeat button.
4. **Pause:** Take a short break by clicking the pause button.
5. **Remaining Session Time:** Your child’s session will end automatically when she clicks the green Go On arrow after this timer arrives at “0 minutes left for this session.”
6. **End Session Early:** If necessary, end your child’s session early by clicking the back button in the browser.

*Don’t forget to use the Google Chrome® web browser!*
