### What is Big Brainz?

Big Brainz is an OUTSTANDING math-fact fluency building game. The brand new version of this game includes all 4 operations – and a reporting system for teachers to check student progress. It’s a fun, highly-motivational way for students to work on learning their math facts, and is even available for students to download and use at home! ### Uninstalling Old Versions

**IMPORTANT** — Older versions of Timez Attack must be Uninstalled prior to installing the latest version.

**To Uninstall:**
1. **Log In** to each computer with your “Teacher” user name and password
2. **Click Start**
3. **Click Computer**
4. **Click Uninstall or change a program**
5. Scroll down the list and select **Timez Attack** (if it’s on the list)
6. **Click the Uninstall command** found at the top of the list

### Installing Big Brainz

**Installing Big Brainz, is quick and painless!**

1. Log in to the computer with your LCISD Teacher Credentials.
2. Be certain you’ve uninstalled Timez Attack prior beginning installation (see above.)
3. **CLICK HERE** to begin downloading Big Brainz (or visit [http://goo.gl/sfvml1](http://goo.gl/sfvml1))
4. Click **RUN** on the pop up window that appears at the bottom of your Internet Explorer Window.
5. Wait a minute or so for the software to begin downloading. The Big Brainz Set-Up window will appear.
6. Follow the prompts on the Big Brainz Set-Up window to complete installation (Next, I Accept, Next, Next, Next, Finish)
7. Visit [http://goo.gl/rTts1J](http://goo.gl/rTts1J) to learn Student/Teacher Log In Credentials
