

Mystery skype™ Greeter

Your job is to introduce our class at the beginning of the Skype call-without revealing our location. You'll also close out our call & thank our partners for their participation.

Mystery skype™ Greeter

Opening

Welcome! We're glad you could Mystery Skype with us today! My name is _____ and our class is looking forward to learning with you! Are you ready to begin?

Closing

Thank you for Mystery Skyping with us today. We hope our classes can connect again in the future. Have a great day!

Optional:

Let's flip a coin to see who should ask the first question.

Mystery skype™

Mapper

Your job is to use maps, atlases, and Google Earth to analyze clues. You will work with the Think Tank to help create questions, and provide answers.

Mystery skype™

Photographer

Your job is to capture our Mystery Skype experience in photos or short videos & post your work to the class website.

Mystery skype™ Questioner

Your job is to interact with the partner class, asking them the questions created by our Think Tank.

Mystery skype™ Responder

Your job is to interact with the partner class, answering yes/no to their questions, as directed by the Think Tank.

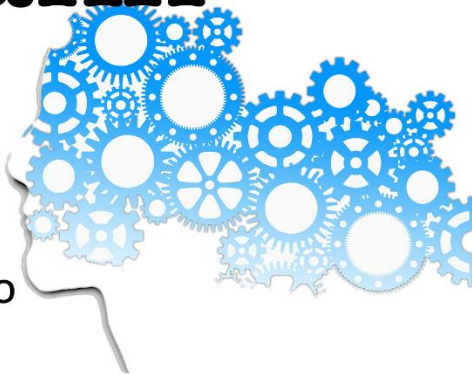

Mystery skype™ Runner

Your job is to quietly move between groups passing questions/answers from the Think Tank to the Questioner or Responder.

Mystery skype™ Think Tank

Your job is to conduct research and think critically! Your team will create questions for the Questioner to ask, and approve answers to be sent to the Responder.

Mystery skype™

Tracker

Your job is to record all questions asked, and answers received so that our class does not accidentally miss an important clue, or duplicate a question.

Mystery skype™

Tweeter

Your job is to take charge of our back-channel on Twitter by posting questions & their answers so that others, outside our classroom, can see the fun!
