

## What is iStation?

iStation Reading is a comprehensive computer-based reading program provided for Texas public schools grades 3-8 that maximizes students'

reading fluency, comprehension and retention, and academic success. Computer-adaptive assessments and curriculum present reading and writing in a fun, interactive way that motivates students to participate.

## Getting Started

Teachers can visit <https://secure.istation.com> and log into iStation to:

- Manage Classes
- Print Username/Password Cards
- Access Instructional Materials for small groups & Interactive White Board

**IMPORTANT:** Before students can log in to iStation, the software must be downloaded and installed onto a desktop computer, or the iStation app (<http://goo.gl/SejZ17>) must be downloaded onto the iPad.

## Install iStation on a Desktop Computer at School

1. Log in to any computer using **TEACHER Credentials** (student credentials will not work.)
2. Visit: <http://www.istation.com/Support/DownloadIstation>
3. Click, **Download: Istation for Windows**
4. Click **Run** from the bar that pops up at the bottom of the page.
5. Click **Install** (if you're not logged in as a teacher, you won't be able to go any further in this process. Instead the installer will fail. If this happens, go back to step 1 and log in as a teacher.)
6. Click **Next**
7. If prompted for a Domain, enter your campus' name, then select your campus name followed by **.lamarcisd.tx** from the drop-down list. Campuses throughout the state are listed
8. Click **OK**
9. The screen will flash, and you will be presented with the iStation user log-in page. The software is now running. Click EXIT to exit the software. You should notice the iStation icon is now on your desktop.
10. Log out of your computer as a teacher, and log in as your computer as a student in order to begin student "play" of iStation.
11. When logged in to the computer as a student, click the iStation desktop icon to begin play.

## Logging In as a Teacher

Teachers may log in to iStation to view reports and student account details. To log in, visit:
