

Access ClassLink

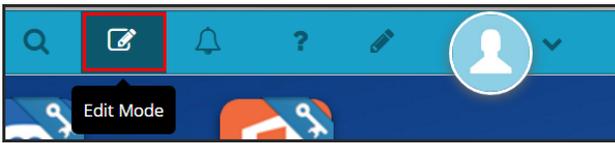

<https://launchpad.classlink.com/lcisd>

ClassLink is a single sign-on service that allows you to access websites and applications instantly without having to sign into each service every time. ClassLink will remember your password so your resources are only one click away.

To access ClassLink, go to <https://launchpad.classlink.com/lcisd> from a web browser and sign in using your **district credentials**. It will take you directly to your personalized home page.

Edit Mode

Edit Mode allows you to change the look and feel of the ClassLink home page. This lets you create a page that is appealing to you. To get started, click the pencil and paper icon from the options at the top-right.

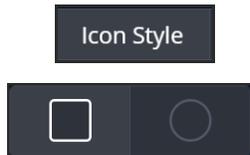

Create

The **Create** option lets you add new apps and folders to your page.

- Apps can also be added from the home page.
- Folders can be created by dragging one app over another (similar to an iPad) while in edit mode.
- For more information, refer to the App and Folder Creation cheat sheet.

Icon Style

Icon Style lets you choose whether you want your apps to appear as squares or as circles.

Icon Size

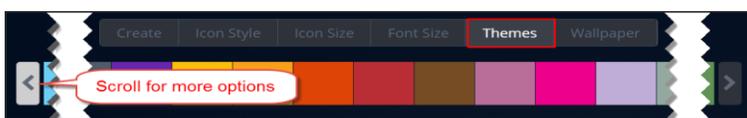

Icon Size gives you 3 preset sizes to choose from. This allows you to change the size of your app button.

Font Size

Font Size gives you 3 preset sizes to choose from. This can make the apps easier to read.

Themes

Themes addresses the color of the menu bar that runs across the top of your page. Choose from a number of different colors. Use the arrows on each side to scroll and view even more options.

Wallpaper

Wallpaper addresses the color of the rest of your home page. Choose from a number of different colors and designs. Use the arrows on each side to scroll and view even more options.
